

Can you follow the traces from connection to connection?

This is a typical PCB. Can you read all the markings?

Can you clearly see both lines?

1206

0805 Can you clearly read the text between the pads?

0603 The text between these pads is too small for a 2400 dpi printer - you will not be able to read it.

0402

0201 Can you see that the pads here are closed up because there are too many details too close together?

Can you clearly read the text between the pads?
